## PAINTBALL

On Sunday Aug. 7<sup>th</sup> the L.M.B.H.A. and our Title Sponsor Adrenaline Paintball would like to invite all coaches and participants from our Peewee and Super Divisions to a day of paint ball battle on the Adrenaline fields. We will have the field booked from 4pm till 8pm this evening but ask that participants show 15-20 minutes early so we can get their equipment and be ready for the official run down on how to use the it and rules for the day from the staff at the same time. During the 4 hrs your child and or their coach is at the Adrenaline paint ball fields they will be provided with protective facial mask, a gun rental, CO2 refills, as well as 100 paint balls to start. We will also be providing a dinner break at some point where all beef hamburgers, a pop/water, potato salad and cupcakes will be available for all. The cost for the dinner items and paintball gear listed above has been paid for by the LMBHA and Adrenaline Paintball. If your child would like to share this day with a sibling or relative we would like them to do so for the small rate of \$20 per extra person. Throughout the evening we will hand out some awards in recognition of individual and team achievements that have been accomplished during our 2011 ball hockey season. We hope this will be a fun way to end another great season with the LMBHA and hope the children can use this experience to further build the friendships they've gained through out the season. Though each child/coach will have 100 balls to start you may wish to send your child with some additional money to purchase some of the following items throughout the evening.

- 100 balls= \$10
- 500 balls= \$39
- Sniper barrel= \$5
- Paint grenade= \$8
- Additional Water= 2 for \$1
- Additional Pop or Gatorade= \$2

Adrenaline paintball does not rent out or provide coveralls so please have your children wear appropriate clothing. For information about using your own equipment or paint please call Adrenaline as restrictions apply.
